NOTICE TO BOND PURCHASERS

Owing to the fact that a great many townships and vicinities in Barry County are falling behind with their quotas for the Fourth Liberty Loan, I have received instructions from the 24th District Manager that beginning Monday, October 14, the name of each subscriber and the amount subscribed by him or her will be published in county papers and posted in public places in the townships throughout the county. As this requirement must be complied with, I earnestly request all who have not subscribed to do so at once, so we can have your name and amount to place on the Honor Roll. Will the subscription you have already made, stand the glaring light of day, as one who is doing his or her duty by the boys "over there?" In proportion as God has blessed you with worldly goods, so is your responsibility to the boys and to your country, and in such measure will you be judged by your fellowmen.

I am ordered to give this notice, and I am requesting every township to furnish me by Monday a list of its subscribers, together with the amount subscribed by them, and when these lists are published, I am authorized to prepare and publish a list of those who are able to buy and did not buy. Don't let Public Opinion make this country "No man's land" for you.

F. P. SIZER,
Chairman Barry County Liberty Loan Organization.

ATTRACTIVE SHOW WINDOW

Durnill's Dry Goods Company has more than usually attractive show windows this fall, with beautiful, artistic back ground. The one which is attracting the most attention today contains photographs of Monett's soldiers and sailors, well displayed. A placard contains the words "The Reason why you should Buy Bonds." Miss Ruth Hall, a Red Cross nurse, is shown in an attractive photograph also. A novel picture is a view of Broadway in 1881, with only a few small business structures and the opera house in process of construction.

Mr. Durnill wishes that any Monett people who have an immediate member of the family who has gone to fight for their country, if they have their photograph, he would be pleased to have it in his window.
